

Shruti Kaushik

Front-End Web Developer

As a self-taught front-end developer, I have developed a solid understanding of HTML, CSS, and JavaScript through a variety of free resources and personal projects. I am passionate about creating intuitive and visually appealing user interfaces that bring websites to life. I am currently seeking new opportunities to contribute my skills to a team and further develop my abilities. I have a strong desire to learn and grow as a developer and am always looking for new challenges to take on.
